You are also responsible for locking the cabin when absent and for any valuables left in the cabin.

Hideaway on the Creek owners/managers also own property in a private development on the same road called Hideaway Hollow, about one-third mile from Hideaway. You are welcome to use the 5-acre meadow there but agree to not hold Hideaway on the Creek owners/managers or Hideaway Hollow homeowners liable for any injury incurred there. The meadow is shared by

several homeowners, so you must use the area responsibly and be respectful of our neighbors. Do not leave any litter or dog waste in the meadow and do not park on the grass.

Note that Hideaway on the Creek has remotely monitored surveillance cameras to protect your security, as well as ours. The two cameras are positioned to monitor the driveway and bridge.

## Hideaway on the Creek Pet Policy

As you may know, lodging that allows pets is hard to find. We welcome your pets and have a 5-acre meadow for them to run and play in. Our house rules are just common sense. We ask that you show consideration for our property and the guests who follow so that we can continue to allow you the privilege of bringing your family pet.

Note that pets are allowed in the National Park (on a leash) but not on the hiking trails. Leashes are optional in the Hideaway Hollow meadow.

Management allows up to three spayed or neutered pets. Kittens and puppies younger than 6 months are not allowed. Please describe your pets:

You agree to comply with the following rules and fees:

1. **Fee:** A pet fee of \$50 for one pet, \$75 for two pets, or \$100 for three pets is assessed to cover additional deep cleaning and pest control; this fee is not refundable unless you do not bring the pet(s).
2. **Health:** Before your arrival, you must provide documentation of your pet's up-to-date rabies vaccinations and topical or oral flea and tick protection. Your dogs must be reasonably groomed before you arrive, and any grooming at Hideaway on the Creek should be done outside and not in sinks or tubs.
3. **Waste:** You are responsible for cleaning up dog waste on the premises and in the meadow.
4. **Furniture/Towels:** Pets are not allowed on furniture (including beds) at any time. Too many folks are allergic to pet dander, and residue remains after your visit. Feel free to bring your pets' clean bedding and your own towels to dry them. Do not use our towels or blankets for your pets. Any evidence of pets on furniture will result in extra cleaning cost to you.
5. **Unattended Pets/Barking:** Do not leave your pets unattended in the cabin for an undue length of time, nor outside for any time. Prevent your dogs from excessive barking at a level that could disturb neighbors.
6. **Responsibility:** You are solely responsible for your pets while at or in the vicinity of the cabin. Management assumes no responsibility for illness or injury that may incur to pets or humans while you are leasing the cabin and are on the premises.
